Styles to be used across the site: (font size, style, colour, screen width etc.)
Font Family: Arial, Helvetica, Sans-serif
Main heading: H1, Goudy Old style, #026633
Subheadings: H3, Arial, #02361C
Main text content: Paragraph, Arial, justified

Production Notes: (background colour, background image, link colours)
Page Width: 850px
Link colour: #003300
Visited/Active link: #02361C
Link hover: #026633

Description of how colour schemes and page styles will be applied consistently across all of the web pages.
I will create a master page that will use one style for all pages to maintain consistency in styles and layout. Inline and header styles will be used to keep the formatting and colours consistent.
